HAPPY BIRTHDAY! ROGUE RIVER

You just turned
111 years old!

Memorial Day was originally called Decoration Day and was initiated to honor the soldiers for the Union and Confederate armies who died during the American Civil War.

Celebrations honoring Civil War heroes started the year after the war ended. The establishment of a public holiday was meant to unify the celebration as a national day of remembrance instead of a holiday celebrated separately by the Union and Confederate states. By the late 19th century, the holiday became known as Memorial Day and was expanded to include the deceased veterans of all the wars fought by American forces. In 1971, Memorial Day became a federal holiday.

Join the Mayor, City Council and Staff in observing Memorial Day by remembering those that have given their lives to protect us and protect our freedom.

MAYOR'S CORNER

The Council and I recently revamped the Citizen Advisory Committee and it now includes residents from both inside and outside of the city limits. The new boundary is the same as the Rogue River School District 35 boundary. There are a few openings so if you're interested and live anywhere in the Rogue River School District, stop by city hall for an application.

We've had some discussion about offering online bill pay and will continue to review some different options at our May 4th workshop. It's my hope that we'll make a decision this month and have it available for those who want to use it within the next few months.

*Oh! fragrant is the breath of May
In tranquil garden closes,
And soft yet regal is her sway
Among the springtide roses.*
-William Hamilton Hayne (1856-1929)

Respectfully Yours, Mayor Pam

Our Home Town Charms

Did you know?

Anna Classick Bicentennial Park on Pine Street has had some wonderful additions in the last two years. The Tennis Court had a makeover and looks great. A Pickle Ball Court was added and oh, what fun! It definitely gets a lot of use. This brought a much needed Kiddie Playground. Under the direction of staff and the help of the National Guard a nice one was put in. It has fun equipment for the littles ones to play on. Come check it out.

Thanks to our awesome employees and volunteers there are more surprises to come. We will keep all of you updated.

P.S. Correction from last month: There are actually three bears, not two, in the wood carvings, one is just hiding.
